Policy on Reports Presented to the Civil Section Annual Meeting

Authority

Bylaws

34(1) Subject to subsection (2), the Steering Committee of a Section may adopt rules of procedure and policies concerning that Section from time to time and may amend existing rules of procedure and policies.

34(2) A rule of procedure or policy or an amendment to a rule of procedure or policy shall cease to have effect if it is not approved in accordance with the Section's rules of procedure or policy governing approvals, at the next annual meeting held after its adoption or amendment.

Proposed Policy

Purpose

The purpose of this policy is to assist working groups with the preparation of their reports to the Section by providing guidance on required content and format. Greater consistency in reporting and the clear articulation of decision points should enable delegates to review the issues and recommendations in the reports more effectively.

1. Definitions

In this policy

"Policy report" means a report presented, in English and French, on behalf of a working group to the Civil Section at the Uniform Law Conference of Canada's (ULCC) annual meeting to seek policy guidance from the Civil Section.

"Final report" means a report presented, in English and French, on behalf of a working group to the Civil Section at the ULCC's annual meeting to recommend a uniform act, rule or model law for adoption by the Civil Section.

"Draft uniform act, rule or model law" means a draft uniform act, rule or model law presented in English and French to the Civil Section at the ULCC's annual meeting and proposed for adoption by the Civil Section.

2. Formatting of policy reports, final reports and draft uniform acts

Policy reports, final reports and draft uniform acts must be formatted in accordance with any applicable ULCC guidelines on formatting (available at [link to website]).

3. Content of policy reports

(1) Policy reports must include the following:

a. Title

- (i) Policy reports are to be titled: "[Insert project subject-matter] – Policy report"
- (ii) If one or more subsequent Policy Reports are presented to the Civil Section, the title should number the report: "[Insert project subject-matter]- Policy report #2" –
- (iii) All reports are to be subtitled: "Presented by the Working Group"

b. Table of contents, as appropriate.

(2) Policy reports are divided into the following sections:

a. Working Group membership and meeting report

- (ii) Lists former members of the working group as appropriate;
- (iii) Lists drafters (if any) and their affiliation;

- (iv) Reports on the work of the working group since any previous report to the Civil Section.
- b. Background
 - (i) Provides an overview of the how the project emerged and when it was approved;
 - (ii) Reviews any past work by the ULCC on the subject (for example, earlier draft act, preliminary study) and law reform agencies;
 - (iii) Includes an overview of current law (common and civil) and the legal gaps that the project aims to resolve;
 - (iv) For reports other than the first policy report, summarizes past resolutions of the Civil Section in relation to the project;
 - (v) Where appropriate, provides an overview of the project's impact on the economy, government and specific populations.
 - (vi) Cross-reference earlier policy reports if new background material is not included.
 - c. Application
 - (i) Identifies whether the project is addressed at common law jurisdictions, Quebec or both; and
 - (ii) If the project is not addressed at Quebec, identifies if a Quebec specific project is anticipated.
 - d. Consultations
 - (i) Identifies any consultation undertaken and the results of such consultation.
 - e. Issue identification and analysis
 - (i) Provides a detailed analysis of the issues sought to be addressed by the project.
 - f. Options for consideration
