

JOINT SESSION OF CIVIL AND CRIMINAL SECTIONS

Uniform Electronic Evidence Act

Presenter: Joan Remsu et al

Approved in principle in 1997 and returned for review of drafting and suggested changes. The revised draft was reviewed and it was noted that incorporation into existing evidence Acts was the preferred approach (rather than making it a free standing Act).

No questions or comments were tabled.

DECISION:

Adopt as a uniform law and put to jurisdictions for consideration and enactment.

RESOLUTION - *Uniform Electronic Evidence Act (Joint Session):*

- 1. That the draft *Uniform Electronic Evidence Act* and commentaries be adopted as a uniform Act and recommended to the jurisdictions for enactment.**
- 2. That the report appear in the Proceedings [See Appendix C at page 164].**
